MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM: David D. Gries
Vice Chairman

SUBJECT: Material for Vice-President-Elect

1. Given the Vice-President-elect's known interest in arms control, Soviet strategic planning and Soviet conventional forces, we propose asking the PDB briefer to take along "White Covers" of six recent estimates on these subjects. In the circumstances that the Vice-President-elect prefers briefings to reading material, we further propose that the PDB briefer first show the White Covers and then give an oral briefing on their content. If the Vice-President-elect requests more detail, the appropriate NIO can provide it.

2. The estimates in question are:

- The Prospects for Change in Sino-Soviet Relations
- ☒ -- NATO's European Pillar: Prospects for Allied Security Cooperation
- Prospects for Ballistic Missile Proliferation
- Soviet Policy Toward Eastern Europe Under Gorbachev
- Prospects for US Military Access Abroad
- Soviet Policy During the Next Phase of Arms Control in Europe

has been
shown to
VP-elect
already.

3. We plan to proceed unless you advise to the contrary.
